

School-wide Assessment Schedule: Warrington School

Purpose of Assessment and Recording:

- to obtain information to improve teaching and learning through regular monitoring ensuring children are working at appropriate levels
- to motivate children by giving them feedback on their achievement and progress
- to obtain information for reporting to parents and the BOT

Objectives of Assessment and Recording are:

- that sound assessment practices are used that have a positive impact on children's attitudes and self esteem
- the assessments will assist teaches and BOT to cater to the learning need of a class and individuals
- that assessments relate to National Curriculum levels and local curriculum goals, using multiple approaches
- that assessment data is collected and collated in a form that can be used to inform teachers and be used for reportin the parents and BOT
